Tryout Fee \$70	This covers your registration into our program, your athletes evaluation and our new 2021-2022 practice bow!
Annual Team Fee In-State/Half Year \$150 Elite \$299	The annual team fee covers frontloaded cost that the gym incurs at the beginning of the season. Collecting the annual team fee slightly decreases your monthly payment and allows us to pay for expenses on behalf of your athlete.
USASF Membership \$30	This is a required annual fee for all competitive athletes, all parents will be required to log onto USASF and complete their athletes certification in order to be eligible for the 2021-2022 competitive season.
Uniform In-State \$225 Elite \$550 Half Year \$550	We have gorgeous custom made Rebel Uniforms for all of our teams! We keep our uniforms the same for 2+ seasons so you can get a lot of use out them. Used uniforms may also be available at a discounted price. Fundraising opportunities are available for uniforms, we have had many athletes cover the full cost of their uniform through fundraising!

TRAVEL EXPENSES

The majority of our competitions are local, so travel fees are extremely manageable. For teams that travel out of state (Elite and Half Year Elite) there are a few additional expenses. When travelling to out of state competitions, families should plan for the following: coaches fees, travel and accommodations. For our Elite Teams, Planet Cheer will consider all bids for end of the year National and/or Out of State events. If your athlete's team receives a bid to an end of season event, there may be additional costs to cover registration fees.
